

Kent Mammal Group are looking for volunteers to become dormouse surveyors

- Play a valuable role in recording and conserving Dormouse in Kent.
- Attend a Dormouse Surveying course.
- If you go on to train for a dormouse handling licence, you will be expected to go out surveying with a licence holder for a season in order to gain practical handling experience.
- On completion of your training, you will be given a wood to monitor on a regular basis each year.
- No previous experience necessary.

To find out how to get involved, please contact
